During the month of June 2013, there were a total of 448 calls for service in the Town of Dumfries and 334 (75%) of them were handled by the Dumfries Police Department. In addition, Dumfries officers made a total of 187 traffic stops resulting in 50 traffic citations, and 7 criminal arrests. There were 80 parking citations issued.

During the month of June there were no juvenile arrests.

On July 5th staff provided a tour of the police station and talked with students from the Dawning Learning Center.

On July 8th staff welcomed Officer Travis Deshawn Sims. He is currently attending the Prince William County Basic Law Enforcement Academy.

On July 22nd and July 23rd the Police Department sponsored its annual Kids Academy. The academy was held at the Community Center. Although the number of attendees was smaller than in the past, the kids who participated in the academy were very interactive and enthusiastic! We received a lot of positive feedback from the kids and their parents after graduation. Special thanks go out to the Prince William Police Department whose officers and staff provided various presentations and demonstrations during the academy and to Grace Church for allowing us to use their facility for our graduation ceremony.

On July 25th staff attended a VML committee meeting in Richmond.

On July 27th staff assisted with monitoring walkers and traffic during a Walk-A-Thon for the St. Jude Children's Research Hospital hosted by the New Generation Church. The event went well and there were no issues.

The Police Department continues to address the goals and objectives it has established for 2012/2013.

Goal 1: Build Stronger Neighborhood and Business Programs with Emphasis on Participation and Cooperation between Citizens and Community Groups.

- During the month of July, 15.5 hours of foot patrols were conducted in the Town.
