

NO-COST Home Energy Improvements for Dumfries Residents!

Looking to Lower Your Utility Bill?

CHP Energy Solutions is working with your local utility to provide no-cost home energy improvements for income-qualifying households to help lower utility bills and improve energy efficiency.

“The crew put in an exhaust fan in the bathroom, a new heat pump, insulation, LED light bulbs, and more. I am so thankful. My home is now safer and more efficient.”

- Deanna, Virginia resident
