The National Weather Service has issued a Winter Weather Advisory for our area from 9PM tonight to 5AM, Friday, January 7th. Snow with accumulations of 2 to 4 inches are possible. Isolated areas may see accumulations of up to 6 inches. These conditions may make travel difficult impacting the morning commute.

Town staff continues to monitor this weather system while mitigating impacts from Monday's winter storm. Residents are reminded to be vigilant and are encouraged to stay home if possible. If traveling is a necessity, please plan ahead as delays are likely.
