### *Mayor's Comments on the FY 17 Budget*

21 July 2016

Dear Residents, Property Owners & Business Owners,

In accordance with the Town Charter, I am hereby presenting the Town Council's approved Fiscal Year 2017 (FY17) Operating Budget for the Town of Dumfries.

As Virginia's economic growth continues its slow path to recovery from a national recession, our town government must make increasingly shrewd, strategic choices about our spending priorities. The Town of Dumfries has been fortunate in its ability to weather this economic storm. Dumfries is at a crossroads, we need to work harder than ever to develop a balanced, strong economy that serves everyone while cautiously managing the fiscal constraints that dictates our path forward.

I have continued to pledge that I will do my utmost to eliminate unnecessary expenses wherever and however we can and make the most effective possible use of taxpayer dollars. The Town of Dumfries must fairly and critically assess where expenditures are occurring by department, additionally our town has revenue challenges. While property taxes are collected, there are categories such as vehicle decal tags, business licenses and business taxes that are not being appropriately accounted for. This lack of collection has placed an undue burden on those taxpayers and business owners that are properly paying their fees. The challenge in FY17 will be for the Town government to aggressively pursue collection accountability.

In 2009, the then Mayor and Town Council passed an equalization initiative that raised FY10 fees and taxes in the following categories:

- Property tax rate increase from \$0.18 to approx. \$0.35 per \$100 assessed value,
- BPOL rates increased 10% across the board (every category),
- Vehicle tag fees increased by \$3.00 per vehicle (from \$24.00 to \$27.00),
- Cigarette taxes increased by \$.30 per pack (from \$.30 to \$.60 per pack),
- Stormwater Management fees increased \$12.00 per residence (from \$10.00 to \$12.00 a resident).

I am pleased to report that in FY17 the FY10 initiatives have continued to be rolled-back. The status is as below:

- Property tax rate of approx. \$0.18 per \$100 assessed value (FY16),
- BPOL lowered by 25% across all categories (FY17),
- Vehicle tag fees reduced to \$24.00 (FY15),
- Cigarette Tax reduced to \$.55 per pack (FY15),
- Stormwater Management fees lowered \$10.00 a resident (FY15).

The future of our town's economic development hinges on forming lasting partnerships with Prince William County, the Prince William Chamber of Commerce, numerous non-profit and corporate partners across the community. With these partnerships, there will be the ability to bring new jobs, improve the quality of our workforce, and do everything we can to make Dumfries more competitive and desirable. For the Town of Dumfries to succeed, we must cut spending, invest in our future and generate revenues. The Town of Dumfries must demonstrate fiscal discipline and responsibility to create a leaner, more efficient government without overburdening our residents. I am proud to say since 2012, while neighboring towns and municipalities across the state have raised taxes; the Town of Dumfries has worked hard to lower taxes.

The Town government has an obligation to spend your tax dollars with the utmost responsibility. The Town of Dumfries should do everything in our power to ensure that your tax dollars are being used properly to invest in our collective future. Council has approved a FY17 budget of \$4,908,709 million, which is a \$51,700 increase over the FY16 Adopted Budget of \$4,857,009 million.

### **Challenges**

While there are many positive things to be excited about in the Town of Dumfries, no community is without challenges. As Mayor, it is incumbent upon me to make sure our Council and citizens understand any potential issues or challenges that we need to properly address in the future. The following challenges are still before us:

- **Unfunded Mandates:** Unfunded mandates continue to be a significant problem with the responsibility being shared equally between the federal and state governments. These issues include enhanced environmental compliance programs such as stormwater treatment, Chesapeake Bay initiatives, Total Maximum Daily Load (TMDL) program, mandatory line of duty insurance benefits, VRS, retirement directives, road maintenance and public safety operations that are coming at a crippling pace which forces localities to incur significant operational costs and debt service to fund these items.
- **Corporate Limits:** Our Town is approximately 1.63 sq. miles (1048 acres) and a major challenge is we are limited to no build-out of our existing corporate limits. With the exception of several residential projects (Orange St and Possum Point Rd) as well as the business development of the Town Center Project (Main St) that are currently underway is all that is left to develop. This

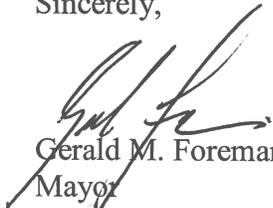

translates to a short-term solution of redevelopment or reuse of existing business parcels in Town. Tax incentives for property owners/developers will translate to these projects being completed in the next eight to ten years and at that point, we will be facing a scenario unlike any other jurisdiction in Northern Virginia. This results in the Town not having additional property located within the corporate boundaries where vacant and redeveloped land will allow for new residential or commercial projects. At this point, the Town will see a significant, if not, complete decline in our availability fees, proffers, new residential and commercial assessments not attributed to renovations and other similar sources of new revenue. The Town will have to rely on creative revenue options and increased business opportunities from residential growth in Eastern Prince William County to allow us to continue to see a positive expansion in our overall revenue sources.

- Stormwater Management (SWM): The Town's SWM system is independent of Prince William County, Prince William Forest, MCB Quantico, Prince William County and I-95 Freeway runoff, which means elected officials at the local government level are grappling more and more with financing and managing SWM improvements within the FY operating budget. For years our Town's SWM program was neglected. The Town of Dumfries is at the bottom (low point) of Quantico Creek and its many tributaries, as such the aforementioned localities runoff into Town properties. Over the past several years the Public Works Department has made efforts to identify, repair, maintain and build a comprehensive SWM system. A great deal of remedial maintenance needs to be done to deal with runoff problems and flooding, as well as to control water quality. Quantico Creek restoration needs to be a fully funded priority in the immediate future. Residents along Quantico Creek have dealt with water runoff and have been subject to the erosion of property and flooding of their homes for too many years, it is long overdue to properly address these taxpayers' needs. Residents in Prince William Estates and Port-O-Dumfries deal with challenges concerning mud and water flooding their streets and their homes. The Federal and State mandated TMDL program competes for funding from a Town with a limited tax base.
- Transportation Infrastructure: The Town's roadway and pedestrian infrastructure is in need of repair. Graham Park Rd/Curtis Dr/Rte-1 Intersection, Possum Point Rd, Orange Street and Multi-Modal Phase II are all behind schedule which is now causing quality of life degradation. Rte-1 (Fraley Blvd) widening must be engaged and monies set aside. Furthermore, connectivity dealing with sidewalks connecting Knolls of Dumfries to the center of Town and allowing citizens to move freely through Town are non-existent. Currently 54,000 vehicles per day travel through the approximately 2.01 miles (10,650 ft) of Rte-1 in Dumfries. Our transportation projects can no longer afford to be delayed.
- General Fund: The general fund is paying the debt service on the Towns' initiatives which the public supported over the last few years. In order to continue to fund these series of capital projects which has and will result in many of the transportation and pedestrian as well as infrastructure improvements, the Town must meet with financial consultants and determine that without sustained natural growth, the Town will have to generate additional funding to pay for our debt service. Our Town's debt service has been relatively flat over the past two years from \$388,609 (FY15 Approved Budget) to a projected FY17 \$386,896, this should speak well of Council's desire to maintain fiscal stability.

As Mayor, I will continue to work tirelessly to ensure that our Town receives its fair share of resources and that these resources are utilized in the most efficient and effective manner possible.

Upon reviewing this budget, if there are recommended changes for consideration, please contact the Town Manager, the Council, or myself. All recommendations will be considered at the Mid-Year Budget Review. This is your budget, this is your Town and we are your elected officials. Hold us fiscally responsible.

Sincerely,

Gerald M. Foreman II  
Mayor  
Town of Dumfries

## Discussion of FY17 Revenues

Staff utilized the best available information in making revenue projections. Mid-year and estimated final 3 month expenditures among other things were considered in making the revenue projections.

### **10-311-0101 Real Estate Taxes - Current**

Property taxes are collected in December and June of each year. Property values have increased with initial assessment values increasing by \$16,073,700 subject to any appeals adjustments. The estimated 2016 total, per the County, is \$413,912,600. This compares to \$397,838,900 in 2015, an increase of 4 %. There is no increase in the Real Estate Tax Rate in FY17.

### **10-311-0102 Real Estate Taxes—Delinquent**

The Town is currently owed \$48,099 in delinquent taxes going back to 2010. Projected revenue from this source is projected to be at \$20,000 in FY17.

### **10-311-0201 Real Estate Taxes—Public Service Corporations**

The State Corporation Commission provided assessed value for 2015 of \$9,442,070. The projected revenues for 2017 based on this evaluation are \$17,930.

### **10-311-0601 Real Estate Taxes—Penalty**

Projected revenue for FY17.

### **10-311-0602 Real Estate Taxes—Interest**

This amount is based on considerations given to what has actually been received in FY16 with projections through the end of the current FY.

### **10-312-0101 Sales Tax**

The sales tax that the Town receives is a share of the state sales tax received by the County and distributed to all towns within the County based upon the proportion of school aged children within the town as compared to the total number of school aged children in the entire County. This method of distribution is stipulated in §58.1-605.H., code of Virginia, 1950, as amended. We are estimating a slight increase in the FY17 distributions.

**10-312-0102 Rental Tax**

The Town receives a portion of the use tax placed upon the rental of motor vehicles by the Commonwealth and distributed back to jurisdictions based upon the rental agencies within the jurisdiction.

**10-312-0103 Rolling Stock Tax**

The rolling stock tax is imposed by the Commonwealth of Virginia upon railroads and motor vehicle carriers pursuant to §58.1-2652 through §58.1-2659, Code of Virginia, 1950, as amended. One half of the collection is distributed to local governments in such percentage as the fair market value of roadway and track located within the jurisdiction bears to the total market value of roads and track in the Commonwealth. As we have no railroad track within the Town and our total portion of roadways is small compared with the total mileage in the state, our share of the rolling stock tax is quite small.

**10-312-0201 Consumer Utility Taxes**

The Town imposes a tax on consumers of natural gas and electricity. This takes the form of a consumption tax. These sources are fairly consistent, with increases coming primarily from growth and development (more connections means higher collections) and occasionally as a result of extreme weather patterns that would maximize consumption. This amount is based on the FY16 projected and actual numbers.

**10-312-0202 Right-Of-Way Use Fees**

Each telecommunications company that utilizes Town owned rights-of-way pays the Town a fee established by the Commonwealth for the privilege of such usage. At present, this includes Verizon and several small companies. The budgeted amount for FY17 is consistent with current budget numbers.

**10-312-0203 Telecommunications Tax**

The Commonwealth began a process of uniform billing and collection of this tax, with redistribution to the localities, starting in January 2007. We are projecting no change based on FY 16 projected and actual numbers.

**Business Licenses**

The Town of Dumfries has a Business License ordinance that conforms to the Code of Virginia. In FY17, the Business License Tax was reduced by 24.8%. The FY 17 tax rates for each class of business are listed below:

<b>10-312-0301</b>	Contractors	\$30.00 or \$ .069 per \$100 of gross receipts
<b>10-312-0302</b>	Retail sales	\$30.00 or \$ .094 per \$100 of gross receipts

<b>10-312-0303</b>	Real estate, prof. services and financial services	\$30.00 or \$ .22 per \$100 of gross receipts
<b>10-312-0304</b>	Repair, personal, business services	\$30.00 or \$ .135 per \$100 of gross receipts
<b>10-312-0306</b>	Wholesale/Other	\$ .015 per \$100 of gross receipts
	Telephone businesses	.5% of gross receipts
	Telegraph businesses	.5% of gross receipts
	Water, heat, light, power	.5% of gross receipts
	Savings institutions	\$50.00

In FY17, the Town will continue to prioritize seeking out those businesses that have not obtained licenses and requiring that a license be acquired and appropriate taxes, interest, and penalties be collected. This should result in greater overall collections.

**10-312-0401 Franchise License**  
This is based on FY 16 projected and actual numbers.

**10-312-0403 Parking Lot Lease & Maintenance Fee**  
This amount is based on actual numbers per the Town’s contract/lease agreement with the property owner.

**10-312-0501 Vehicle Tags**  
That Town requires that each motor vehicle be licensed through the Town by the purchase of a motor vehicle tag/decal. This includes cars, trucks, motorcycles, scooters, motor homes, buses and the like. Although many other jurisdictions have eliminated the sticker and just charge the fee, this is typically done when payment for the personal property tax is due. Because the Town does not have a personal property tax, it must continue to use the tag/decal method for collecting the fee. The license year runs from April 15 to April 14. The FY17 budget maintains the vehicle tag fee at \$24.00. This is a fairly constant number, changing only through the increase or decrease in the number of residents and vehicles registered. Enforcement of the requirement to purchase a Town vehicle tag/decal depends on the ability to be able to prove that a vehicle is registered at a location within the Town of Dumfries. If an individual moves to Dumfries yet fails to change the address on their vehicle registration, enforcement of the Town vehicle tag/decal is very difficult if not impossible.

**10-312-0601 Bank Stock Tax**

The Town has a bank franchise tax that conforms to the Code of Virginia. The tax is imposed at a rate of 80% of the state imposed rate. The current rate that the Town imposes (which is the maximum permitted by law) is \$ .80 per \$100 of net capital as defined by §58.1-1205, Code of Virginia, 1950, as amended, with the net capital being prorated among the various branches owned or held by each bank. The amount generated in this line item only changes when there is a substantial change in net capital or when a new bank is located within the jurisdiction. The Town has one bank that pays this tax, Bank of America.

**10-312-1001 Transient Occupancy Tax**

The Town charges a tax on the rental of rooms for temporary occupancy. The primary contributors to this revenue are the two chain motels on Rt. 1. Many of these rooms are rented to construction workers on a regular basis with tourist and other business occupancy representing the remainder. The Transient Occupancy Tax is 5.5% plus a surcharge of \$5.00 per room/per night for all occupied rooms.

**10-312-1002 2% Regional Transient Occupancy Tax**

This line item represents the State mandate to collect an additional 2% Transient Occupancy Tax.

**10-312-1101 Meals Tax**

The Town charges a tax on the sale of foods prepared for immediate consumption, on or off premises, as allowed by law. Next only to real property taxes, this is the second largest source of revenue to the Town. Traditionally, the largest portion of this revenue continues to be received from the restaurants located on Rt. 234 at the northern edge of the Town where highway travelers pull in for easy access to a quick meal.

**10-313-0300 Permits and Fees**

Permits and fees include such things as the fees charged for building permits, and other miscellaneous fees not including those fees charged for zoning and subdivision activities. This amount is based on FY 16 projected numbers and assumptions for an increase in permits issued for FY17, including approximately \$200,000 for permits that will be issued for the Town Center Project.

**10-313-0301 Planning/Zoning Fees**

This line item represents the estimated fees that will be received by the Town for zoning permits, site plan reviews, subdivision applications, requests for zoning amendments and the like. This amount is based on FY 16 projected and actual numbers and consideration for potential projects that are expected to proceed in FY17.

**10-314-0101 Court Fines/Forfeitures**

This revenue source is not very predictable as it is dependent upon the commission of illegal activities by the public, the effectiveness of law enforcement, general enforcement and the success in the legal system to produce the revenues. The FY 17 amount is based on FY 16 projected and actual numbers.

- 10-315-0100 Interest**  
Interest rates continue to bottom out with no increases expected in the foreseeable future. This amount is based on FY 16 projected and actual numbers. The Town Manager and Treasurer will continue to watch this situation carefully to make investment decisions to maximize the return on investment to the Town.
- 10-318-0100 Landfill Host Fees**  
This line item represents Host Fee payments made to the Town by Potomac Landfill pursuant to a Host Fee Agreement. The amount listed is a projection based on the estimated number of tons of debris that will be taken in by the Landfill in FY17, at the agreed upon rate.
- 10-318-9914 Miscellaneous Revenue**  
This line item includes all other local revenue not classified in other areas, including revenue from the sale of Town assets, refunds and rebates, and miscellaneous fees.
- 10-324-0406 Street/Highway Maintenance**  
The Commonwealth, through the Virginia Department of Transportation, pays jurisdictions that maintain the public highways the amount that is calculated to be the average VDOT cost of maintenance per lane mile. This projected revenue figure is based on the most current information available.
- 10-324-0407 Litter Control**  
The Commonwealth provides a small amount of funds to localities to address litter control. Funds are distributed on the basis of population and come from a special state tax on manufacturers, distributors, and wholesalers of certain packaging and products. The funds are available on a discretionary basis and must be used for litter prevention activities. Available funds for FY 17 are based on the most current information available in FY 16.
- 10-324-0408 Highway HB2313 Funding**  
No Highway HB2313 Funding will be identified in this budget as a revenue source for FY17 as no specific projects are anticipated to be funded in FY17. Awarded funds accumulate in an account administered by Prince William County and will be provided to the Town when a specific project is designated.
- 10-324-0414 Police Aid (599 Funds)**  
The Commonwealth provides a supplement to those jurisdictions that provide police services. It is anticipated that the funding available in FY 17 will remain consistent with FY 16 numbers.
- 10-324-0415 DCJS/LLEG**  
This is a State sponsored grant for Law Enforcement and we anticipate receiving \$600 in FY 17.

- 10-324-0417 DMV Grants**  
This is a projected grant amount. Funds are typically used to reimburse overtime costs for highway safety enforcement.
- 10-324-0419 Cigarette Tax**  
The cigarette tax that is imposed by the Town and administered by the Northern Virginia Cigarette Tax Board has been in effect since FY 04. The Cigarette Tax rate remains consistent with FY 16.
- 10-324-0700 Community Center Fees**  
The amount budgeted in this line item is based on prior fiscal years numbers and projected FY 17 fees.
- 10-324-0805 Town Events**  
The Town receives “rental” payments from vendors for several of the events that it sponsors. These funds are shown in this line item. This amount is based on FY 16 actual and projected numbers.
- 10-324-0901 Transfer from General Funds**  
A total of \$563,668 is recommended to be transferred for CIP related projects, professional contracts and other one-time expenses to fund ongoing and unfinished initiatives from FY16. This funding is being transferred from monies that have been built up in the General Fund over the last several fiscal years in anticipation of transfers like this to the operational budget.
- 10-324-1201 Christmas in Dumfries**  
The Police Department solicits funds from businesses and individuals each year to provide children from low-income families in the Dumfries community with gifts for Christmas. Funds collected are placed in this line item. Funds not spent in a preceding year are re-appropriated for this purpose. This amount is based on FY 16 total donations.
- 10-324-1206 Fire Fund Program**  
The Commonwealth places a surcharge on property insurance premiums paid by individuals and utilizes the funds collected to help offset the cost of providing local fire protection programs. Funds received by the Town are provided to the fire department for use in acquiring additional equipment.
- 10-324-1300 Stormwater Management**  
The Town has an established a fee schedule for stormwater management that is collected from property owners at the same time as real estate taxes. This amount budgeted for FY 17 is consistent with the prior year’s fees.

## **10-412 Administration**

### **Department Mission**

The mission of the Office of Administration (Town Manager's Office) is to provide leadership, promote community spirit, elevate the citizens' quality of life, maintain the fiscal health of the community, and carry out the policies put in place by the Town Council. This will be achieved by:

- Providing for the safety and well-being of Town residents and businesses
- Providing our residents, guests and businesses with quality and reliable public services
- Sustaining the public trust through open and responsive government
- Advising Council on the affairs of the Town
- Addressing citizens' comments in a timely manner
- Maintaining the long-term vitality of the Town through sound planning and prudent financial management
- Maintaining appropriate fund balances, capital contribution levels, and debt payment amount
- Monitoring and controlling spending in accordance with the adopted budget

### **FY17 Goals**

1. Continue to improve Public Safety by maintaining current staffing, increasing police presence in the community, and encouraging active community policing efforts.
2. Continue to review the Zoning Ordinance and make additional recommendations based on Council, citizen and business input.
3. Attract new business, investment and economic development to the Town of Dumfries.
4. Update the Capital Improvement Program.
5. Increase code and zoning enforcement in the Town.
6. Improve inter-governmental relationships, particularly with County, State, and Federal leaders.
7. Enhance staff, council, and citizen use of technology, and improve our technology infrastructure.
8. Improve staff customer service skills and response times to both Council and constituents.
9. Consider staff and/or departmental restructuring to ensure the most efficient, cost-effective service delivery in all areas of Town government.
10. Increase the use of grant funding, and utilize grant funding in a timely manner.
11. Review the existing Emergency Response Plan for the Town.
12. Undertake a records management audit and continue to review and organize old existing Town records.
13. Implement recommended records management policies as staff and budget allows.
14. Improve customer service to citizens and provide increased training opportunities to all employees.

**Department Mission**

The Dumfries Police Department is committed to providing professional, effective, and courteous public service by working in partnership with the community under the rule of law to create a safe environment and improve the quality of life for all of our citizens in an atmosphere of mutual understanding, cooperation, respect, and integrity. We will strive for excellence in all we do and make every effort possible to earn and maintain the confidence and trust of the community we proudly serve.

**FY17 Goals**

- **Goal 1: Continue to improve neighborhood and business relationships with the Police Department.**
  - Objective 1: Increase non-enforcement contact within residential and business communities.
  - Objective 2: Expand the department’s community outreach and liaison initiatives.
  - Objective 3: Expand the distribution of safety tips and information to citizens and businesses.
  
- **Goal 2: Improve pedestrian and motorist safety.**
  - Objective 1: Expand patrol times dedicated to enforcement of traffic laws to reduce unsafe and distracted driving behavior.
  - Objective 2: Use focused patrols to address community concerns and identified traffic issue areas.
  - Objective 3: Expand driver and pedestrian awareness and safety information distribution.
  
- **Goal 3: Maintain a professional and effective Police Department.**
  - Objective 1: Increase the percentage and types of calls for service handled by the Police Department.
  - Objective 2: Continue to provide staff training to improve services to the Town’s diverse neighborhoods and businesses.
  - Objective 3: Continue to design and implement programs that address identified community needs and concerns.

<b>10-431-0109</b>	<b>Police Officer</b> Salary for a Police Officer.
<b>10-431-0110</b>	<b>Police Officer</b> Salary for a Police Officer.

**10-431-0111 Police Officer**

Salary for a Police Officer.

**10-431-0112 Police Officer/School Resource Officer**

Salary for a Police Officer/School Resource Officer.

**10-431-0200 Night Differential**

Officers receive \$1 per hour for night differential each hour physically worked between the hours of 7:00 p.m. and 5:00 a.m.

**10-431-0201 Overtime/86**

Overtime for police officers is comprised as follows:

Hours worked on holidays are compensated at **one and one-half** times the normal rate of pay, per compensation policies adopted by the Town Council.

Hours physically worked beyond 86 hours per pay period while on normal duty; to attend court; and to provide law enforcement assistance at special events are compensated at **one and one-half** times the normal rate of pay, per compensation policies adopted by the Town Council.

The increase in the FY17 Budget is due to computation based upon the police department being fully staffed.

**10-431-0202 DMV Grant Salaries**

The DMV grant is a re-occurring award each October. The amount of the award sometimes varies, at the discretion of DMV. The police department received \$10,000 in October 2015. The police department anticipates a \$10,000 award in FY17 (October 2016), based upon the most recent two years of activity and use of these funds. The award funds are used to compensate police officers who work special traffic details.

**10-431-0203 Retention**

This line item represents an incentive program designed to retain police officers with the rank of Officer and Sergeant by providing them a stipend as they gain years of experience. With experience, officers become more marketable to other agencies, so the retention stipend encourages officers to remain with the department. The increase in the FY17 Budget is due to three officers becoming eligible for retention and one officer's retention increasing, due to years of service with the police department.

**10-431-0204   Supplements**

This line item funds compensation to officers who attain certification through additional training and education to improve the professionalism of the department. There are two certifications where supplements are provided: field training officer and crime scene technician.

Field Training Officers are compensated \$1 per hour during times they actively train a recruit and new officer. The police department currently has two officers, two sergeants, and the captain who are certified as a field training officer.

Crime Scene Technicians are provided a supplement of \$500 per year. These officers are trained in advanced knowledge and skills that provide them the ability to collect and preserve evidence beyond a skill level of most officers. The police department strives to have three officers who are certified as a CST.

The reduction in the FY17 Budget is due to the anticipation of fewer new officers and recruits being trained.

**10-431-0205   Line of Duty Act**

This line item covers Line of Duty Act benefits. This act is mandated by State Legislation and the amount is set by the State.

**10-431-0206   DCJS-LLEG (Byrne Grant)**

This line item reflects the amount of grant awarded for FY16 and is used for minor police department purchases. This grant is reoccurring annually; however, the award amount changes annually and is determined by DCJS.

**10-431-0300   Payroll Taxes**

This line item provides the employer's share of FICA at 7.65% of the total salary line item.

**10-431-0400   Pensions**

Includes retirement, group life insurance and the retiree health insurance credit costs.

**10-431-0401   Benefits**

Includes the cost of health and dental insurance for participating employees. The Town pays 100% of the cost of employee coverage and 20% of the cost of dependent coverage to meet the minimum requirements of the Local Choice program.

**10-431-0500 Travel / Training**

This line item includes the cost of \$11,000 for members of the Police Department to participate in all training offered by the Prince William County Police Department's Training Academy. Also included is other police related training, including costs associated with registration, travel, meals, and lodging. The increase in the FY17 Budget is due to required certification and related training for Crime Prevention Specialists and D.A.R.E.

**10-431-0600 Physicals & Hiring Costs**

This line item represents the costs for any required officers' physical examinations and random drug tests. It also represents the cost of background investigations, psychological examinations, polygraphs examinations, physicals, and Hepatitis B shots for new hires. The decrease in the FY17 Budget is due to the Police Department being fully staffed and computation based upon the need for current police officers receiving the Hepatitis B series of vaccinations.

**10-431-0700 Uniforms / Maintenance**

This line item includes sufficient funds to pay for uniform cleaning and maintenance at a level of \$135.00 per quarter for 11 sworn officers. It also continues to provide a planned uniform replacement cycle based on normal wear and damage to issued uniforms. This line item also provides funds to outfit new hires.

**10-431-0800 Dues / Subscriptions**

This line item includes sufficient funds for membership in professional law enforcement organizations that provide continuing education in law enforcement related best practices, new law implementation, trends in technology, etc. Additional funds are included for subscriptions to professional police publications. Finally, a six month subscription fee of \$1,250 that may be implemented in FY17 for the police department to continue participation in the LInX (Law Enforcement Information Exchange) system. Approximately 1,300 law enforcement agencies in different parts of the United States participate in regional systems of LInX, the Department of Navy has funded the majority of LInX through NCIS. However, the plan is to possibly begin to share the funding more equitably with user agencies beginning in FY17. The remaining slight increase in the FY17 Budget is due to the addition of crime prevention and D.A.R.E. association dues.

- International Association of Chiefs of Police - \$150
- Virginia Association of Chiefs of Police (2) - \$350
- Virginia FBI National Academy Associates - \$90
- Virginia Gang Investigators' Association (4) - \$60
- Virginia D.A.R.E. Association (1) - \$15
- Piedmont Regional Crime Prevention Association - \$100
- Virginia Law Enforcement Accreditation Coalition - \$100
- LInX - \$1,250

- 10-431-0900 Court Appointed Attorneys**  
This line item includes the initial cost to the Town for defendant's attorney fees for court appointed attorneys. If the defendant is convicted these costs are eventually returned to the Town. The increase in the FY17 Budget is due to computation based upon the police department being fully staffed which will generate more cases in court.
- 10-431-2000 Vehicle Maintenance / Operations**  
This line item includes the continuation of maintenance for each vehicle within the police fleet based on a preventive maintenance schedule designed to keep the fleet in line with vehicle manufacturer's maintenance schedules and safety requirements, to include the purchase of tires. Most of the estimated costs for FY17 are related to the repair and maintenance costs for the fleet's five older Dodge Chargers.
- 10-431-2001 Fuel**  
Fuel costs have remained very unpredictable in recent years and this line item is the amount allocated for fuel based on the best estimate possible based upon fuels costs, an average of actual use from the previous year, and staffing. The reduction in the FY17 Budget is due to computation based upon lower fuel costs and historical data.
- 10-431-2300 Equipment / Repairs**  
This line item is used for the purchase, repair, and required periodic calibration of equipment to include radar units, tuning forks, in-car camera systems, portable radios, emergency equipment, etc., and includes the probability of an unexpected repair need. The increase in the FY17 Budget is due to computation based upon an increase of in-car camera repairs and the purchase of one portable, solar powered radar speed sign (\$2,500).
- 10-431-3000 Office Supplies**  
This line item is used for all office expenditures, to include filing supplies for each case. The department handles approximately 3,500 cases each year. Each case requires a separate file, which includes labels for each file. This line item also includes every administrative supply utilized by the department, to include ink for printers and the fax machine, paper, forms, tickets, etc. The items purchased are necessary to keep the agency operating in a professional manner. The increase in the FY17 Budget is due to computation based upon the police department being fully staffed which will result in more office supplies used.
- 10-431-3100 Contracts**  
This line item covers all yearly contracts for the police department.  
Copier Lease - \$ 4,000  
Virginia Information Technologies (for Virginia Crime Information Network) - \$650  
Water Logic - \$500

- 10-431-3300 Supplies**  
This line item is used for all weapon and range supplies to include ammunition, evidence supplies, portable radio batteries, emergency supplies, equipment issued to officers, and other miscellaneous supplies. The slight increase in the FY17 Budget is due to computation based upon the police department being fully staffed, which will require additional supplies; most of the cost being related to an increase in the amount of needed ammunition.
- 10-431-4200 “Christmas in Dumfries”**  
This line item represents expected public donations that cover the out of pocket costs for conducting the program whereby gifts are provided to children from eligible families in Dumfries prior to Christmas Day. Contributions are provided from the community with no public fund involvement.
- 10-431-5700 Chief’s Expense**  
This line item covers the cost of the Chief’s participation in various activities and programs of a reciprocal nature such as attendance at retirement events, ceremonial functions and the like. The increase in the FY17 Budget is due to computation based upon historical use within the last three budget cycles.
- 10-431-5900 Crime Prevention Program**  
There is an increase in this budget line item due to the expansion of community based crime prevention programs, to include the School Resource Officer’s need for books, training aids, and materials for D.A.R.E. and other programs implemented in Dumfries Elementary School. Additional funds will be used to continue and maintain positive relationships with established programs in the community, such as the annual Kids Academy. Also included in this request is funding for FY17 programs such as National Night Out, Participation in School Programs, Participation in Senior Luncheons, and the purchase of Crime Prevention and D.A.R.E. materials. The increase in the FY17 Budget is due to computation based upon the increase in funds needed for the Kids Academy, D.A.R.E. and Crime Prevention materials.
- 10-431-7003 Rental Space**  
This line item includes funding for the yearly rent, insurance, property tax, and Common Area Maintenance fees associated with providing operating space for the Police Department. The increase in the FY17 Budget is due to computation based upon an annual three percent increase as listed in the contract.

**10-442 Community Development**

**Mission**

The goal for Planning and Zoning is to work on behalf of the residents and businesses to plan for the future growth of the community by administering and enforcing the Towns Zoning Ordinances, responding to customer inquiries and concerns, identifying and putting in place sound planning and land use development practices that will enhance, preserve, conserve, and improve the livability of the Town of Dumfries and promoting awareness of the vital role short and long-term planning has in shaping the future growth of the community.

**FY17 Goals**

1. Utilize a process flow chart and a checklist for Planning and Zoning Applications to better facilitate the application process.
2. Improve the organizational system of Planning and Zoning Applications to provide greater accessibility for Town staff and the general public.
3. Continue to update the technical sections of the Zoning Ordinance as needed to better align with the Comprehensive Plan.
4. Continue to improve code enforcement activities in the Town to proactively identify violations and gain voluntary compliance.
5. Provide exceptional customer service to the Town’s residents and businesses.
6. Continue to respond to residential and business concerns in a timely and courteous manner.
7. Identify areas where we can streamline processes to be more efficient and effective.
8. Expand the use of “Permit Manager” software to consolidate records and to capture all staff activities related to any specific location.

**Overview of Expenses**

**10-442-0103 Zoning/Code Enforcement Official**
