PRESENTER TITLE: Town Manager

AGENDA ITEM:

Discussion and Council input/comment concerning allowing non-profit groups to utilize the Community Center without charge prior to the currently established March 1, 2014 implementation date for the new Community Center Use Policy

BACKGROUND / SUMMARY:

Town Council recently adopted a Community Center Use Policy but delayed implementation until March 1, 2014 to allow time for current users to adjust to the new requirements, especially those that prohibit any commercial use of the building. The new policy allows non-profit groups to use the facility without paying a rental fee and there does not appear to be any significant reason why the non-profit use indicated above could not be put in place immediately.
