AGENDA ITEM:

Discussion regarding the placement of dedication plaques on the exterior of Town Hall and the Community Center

BACKGROUND / SUMMARY:

Several months ago some members of Town Council requested that consideration be given to mounting dedication plaques on the outside of the Town Hall (John Wilmer Porter) and the Community Center (Jeff Simpson). A bronze plaque already exists for Jeff Simpson and the estimated cost of drilling it and installing it is \$483.20. A similar plaque honoring John Porter would cost \$3,249 to manufacture and install. There is currently no funding available for these costs and funding would have to come from mid-year transfers (if funding is available to transfer) or from inclusion in the FY 15 Budget.
