AGENDA ITEM: Modification to the Police Department uniform by changing the color of the duty shirt.

BACKGROUND / SUMMARY:

For over three years, the members of the Police Department have worked to improve their relationship with citizens and businesses within the Town through improved community outreach, improved positive interaction, and increase in enforcement to improve the overall safety and quality of life for those who live, work, and visit the Town. Also during this time, there has been a restructuring of the Police Department, the hiring of nine new sworn police officers, and improvements in equipment and training. Since the uniform is a representation of the department, and is often what citizens see first, the police department is modifying its uniform shirt as a positive symbol and representation to citizens of the department's openness, commitment to being professional, service-oriented, and responsive to the needs of the community.
