

Northern Virginia BLANKET DRIVE for Syrian and Iraq Refugees

WINTER IS COMING! COULD YOU PLEASE SEND US A BLANKET?

Northern Virginia local governments, working with the Northern Virginia Regional Commission (NVRC), are organizing a Blanket Drive for Syrian and Iraq refugees.

More than one million displaced people, who have fled their homeland, are living in tents in refugee camps in Turkey.

With the onset of winter approaching, they face unimaginable hardships. They need help, especially blankets.

Please SHARE THE WARMTH by donating a blanket. Your generosity will keep a refugee warm this winter - and may even save a life.

The blanket drive will be held from November 1 through November 22. For further information please visit: www.helpsyrianrefugees.us
