AGENDA ITEM:

Discussion on CDBG application relating to targeting park equipment/structures for the Ginn Park.

BACKGROUND / SUMMARY:

The Town is in the process of applying for funding for park equipment to compliment Ginn Park. The construction of phase one will include a multiuse court, playing field and parking area. The Town currently has \$12,500 budgeted for park equipment, like play ground equipment and ancillary items like basketballs and sporting equipment. Due to the high cost of play ground equipment the Town should consider applying through the CDBG to purchase a quality product like a larger combination set with smaller items on the periphery. We anticipate the grant application to be approximately \$60,000.

ATTACHMENTS:

Attachments include several examples of equipment we would consider purchasing with money received from the grant.

REQUESTED ACTION:
